INTERVIEW: Overseas property buyers will return to Dubai in 2021 - Samana Developers CEO

Company to launch two new projects worth \$68m in Q2

Imran Farooq, CEO of Samana Developers said 60-65 percent of Samana's clients were international buyers in 2019, "but that ratio changed completely in 2020, with residents constituting 85 percent of the buyers"

He is bullish about the economic recovery of the UAE this year. "By the second or third quarter, strong participation from UAE residents combined with normalisation of flights, and the fact that the Expo is starting in October 2021... we are very bullish about 2021."

He continued: "UAE's lifestyle, commitment, safety keep getting better and will convert visitors into buyers. People from Europe, America, and Asia want to explore the option of having a second home in Dubai, and this demand will make itself felt once regular flights start."

He said the company will start delivering its 132-unit Samana Greens in the first quarter and the 205-unit Samana Hills in the third.

Both projects are in Arjan, Dubai Land. The company has plans to launch other new residential projects in the city this year as well.

"Two launches will happen in May 2021. One is a 155-million dirhams (\$42 million) project in Jumeirah Village Circle, while the second project, valued at 100 million dirhams (\$27 million), is in Dubai Studio City. We are in the approval stage with the planning authority and are complying with RERA's (the Real Estate Regulatory Agency) escrow requirements," he said.

Committing to the rule RERA introduced last year requiring developers to deposit 50 percent of the project's construction cost upfront compared to
