ELLINGTON HOUSE

Ellington House is Ellington Properties' first residential project in Dubai Hills Estate.

Set among a community of luxury and sustainability, Ellington House breathes new life into its idyllic surroundings.

Ellington House is an elegant 12-storey building with dreamy, light filled multifamily apartments overlooking Dubai Hills Golf Course and out across the city.

Ellington House reaches for the pinnacle of comfort, style and serenity that culminates from beauty by design. With minimalist cues throughout its interiors, the building demonstrates a masterful command of natural light and allows unhindered views from its spacious balconies. Modern yet soft, natural yet accessible, the development is an experience of truly elevated living in both the physical and the emotional sense.
