THE COASTAL
RANCHES

OF ALJURF

Aljurf Gardens is where, decades ago, tens of thousands of trees were planted to create a green haven in the desert of Abu Dhabi.

Even the name has an aura—it is possible at once to lose and to find yourself among the trees and natural landscape, following a path which leads from the thoughtfully interwoven coastal ranches to the private and secluded beach.

Aljurf Gardens is a natural masterpiece; an intricate tapestry of 500 landscaped plots designed to seamlessly integrate within the natural, raw beauty of Aljurf.

Inspired by local culture, Aljurf Gardens tames the wilderness of its surroundings to introduce refined architecture patterns repeated in different scales to reflect nature's exquisiteness across every typology of homes, gardens and courtyards.
