MERÇER HOUSE

PROJECT BRIEF
SOUTH TOWER

ENERGISED ENERGISED

URBAN LIVING

At the gateway to Dubai's urban playground, Ellington's first Uptown District development complex features two residential towers standing on a podium dedicated to wellness, retail, sport, and hospitality.

An aerial view of the Mercer House development in Dubai at dusk. Two prominent skyscrapers with illuminated balconies stand in the center. The base of the buildings features a modern, landscaped plaza with a circular fountain, walkways, and greenery. Other high-rise buildings are visible in the background under a twilight sky.

WELCOME TO
MERCER
HOUSE

Mercer House is home to residents who will bring new energy to Uptown Dubai. It is a place of belonging for everyone, where the boundaries between shared and resident-only experiences begin to overlap. Lives are enhanced through creativity, design, wellness, and entertainment.

CREATING A RHYTHM

Public access points are carved into the form responding to the rhythm and language of the wider context, and forming a backdrop to the entertainment plaza. Arrival points further enhance the arrival experience and allow for key linkages to commercial offers at the ground floor and upper levels, as well as creating an activated experience for visitors and residents alike.
