“THEY USED TO SAY THAT AGRICULTURE
HAS NO FUTURE, BUT WITH GOD'S
BLESSING AND OUR DETERMINATION, WE
HAVE SUCCEEDED IN TRANSFORMING THIS
DESERT INTO A GREEN LAND.”

ALJURF
—
THE PROJECT

Our landscape is ever-changing, adding layer upon layer, building on the existing, merging, integrating, and weaving—to produce natural masterpieces of timeless beauty. Nestled along the Sahel Al Emarat Coast, AlJurf adds a new layer of beauty to the existing landscape. Integrating itself within the natural environment, AlJurf is a masterpiece that preserves and enhances the existing beauty, perpetuating a legacy, rather than changing it.

AlJurf will feature a range of facilities including a world-renowned wellness clinic and retreat, unique residential communities and serviced residences, a marina and a town centre encompassing a hotel and retail units. All these components will be carefully integrated within the natural landscape of AlJurf as to not disturb its harmonious beauty, but rather capitalise on it. Guests and residents will become the protectors of the ecosystem in the same way our ancestor were, while enjoying the simple luxury provided by this intricately weaved work of nature and design.
