“THEY USED TO SAY THAT AGRICULTURE HAS

NO FUTURE, BUT WITH GOD'S BLESSING

AND OUR DETERMINATION,

WE HAVE SUCCEEDED IN TRANSFORMING

THIS DESERT INTO A GREEN LAND.”

ALJURF
—
THE PROJECT

Our landscape is ever changing, adding layer upon layer, building on the existing; merging, integrating, and weaving—to produce natural masterpieces of timeless beauty. Nestled along the Sahel Al Emarat Coast, AlJurf adds a new layer of beauty to the landscape. Integrating itself within the natural environment, AlJurf is a masterpiece that preserves and enhances the existing beauty, perpetuating a legacy, rather than changing it.

AlJurf will feature a range of facilities, including a world-renowned wellness clinic and retreat, unique residential communities and serviced residences, as well as a marina and a town centre encompassing a hotel and retail units. All these components will be carefully integrated within the natural landscape of AlJurf as to not disturb its harmonious beauty, but rather capitalise on it. Guests and residents will become the protectors of the ecosystem in the same way our ancestors were, while enjoying the simple luxury provided by this intricately woven work of nature and design.
